Women's rights in Islamic countries

For those who are moderately educated on Islam it should be no surprise that a bronze age, authoritarian, imperialist ideology does not champion things like individual rights, minority rights, etc. This could be metaphorically, scripturally or a manifestation in the real world.

What some people will ask or consider is the extent to which Islam impacts upon individual and minority rights within majority Islamic nations.

Ever wonder how Mullahs turn innocent little boys into ferocious killers and rapists? Here is a snippet into how it's done in Madrassas.

Of course PM [@Theresa_May](#) [7] and [@JustinTrudeau](#) [8] will be upset that I shared this clip. After all this tweet could "hurt the feelings" of Muslims pic.twitter.com/Gx4nuFzmLZ [9]
